

MUSIC SCHOLARS

INFORMATION PACK

WELCOME

At Effingham Sixth Form, music is at the heart of our school community, and we are passionate about nurturing the next generation of talented musicians. We are looking for gifted and dedicated musicians who not only demonstrate strong technical ability and musicality but also have a deep love for music and a commitment to their craft.

Our Music Scholars play a vital role in the cultural and creative life of the school. They are expected to contribute enthusiastically to our vibrant music department, participating in ensembles, choirs, and orchestras, as well as taking advantage of solo performance opportunities throughout the year. From large scale concerts to more intimate recitals and special events, scholars are given the platform to showcase their talents, refine their skills, and grow as performers, working with committed and highly experienced music staff.

We value musicians who are passionate, disciplined, and eager to learn, whether they excel as soloists, ensemble players, or composers. As a Music Scholar, you will receive specialist guidance and support to help you reach your full potential, along with access to exceptional coaching and performance opportunities.

If you are a committed and enthusiastic musician with the ambition to contribute to the musical life of Effingham Sixth Form, we encourage you to apply and take the next step in your musical journey with us.

OPPORTUNITIES

- Scholars' Tea (after school with parents and other scholars)
- Act as a buddy to a KS3 scholar, offering support, encouragement, and guidance
- Regular solo performance opportunities and recitals in the Chapel
- Chapel Assemblies
- Open Morning Performance Opportunities
- Scholar Meetings with the Director of Music
- Scholars' Concert
- Scholars' Trip

EXPECTATIONS

Commit to being in at least one (and ideally two) co-curricular choir/musical ensemble at all times. Continue to take instrumental/vocal lessons for the duration of the scholarship, making progress year on year. Be available to perform at Open Mornings and other events as requested by the Director of Music, so there is a need to always have a piece "performance ready".
